*Following your info session with the school, we recommend sending a follow-up email with the following information.*

---

Dear School Leader,

Thank you for attending a recent iMentor information session. We hope the session provided you with a thorough overview of our program.

## **Next Steps:**

If your school is interested in being considered for a partnership with iMentor, the next step involves submitting an application with the link below.

We kindly ask that all applications be in by **[insert date]** to be evaluated for a school-based visit. If you have any questions in advance of submitting the application, please do not hesitate to reach out to us. Attached you will find the PowerPoint presentation from the session along with the link to the related video. Please feel free to share these resources with your colleagues.

Hear directly from [Kevin and Adam](https://learn.imentor.org/help/kevin-and-adam) (<https://learn.imentor.org/help/kevin-and-adam>) about their experiences in this program.

If the program doesn't sound like a good fit for your school at this time, we still thank you for your attendance. We generally recruit schools each winter/early spring for a fall launch and will keep your school in mind in the future.

Sincerely,
